

AUSTRALIAN WELDER CERTIFICATION REGISTER (AWCR)

CREATING A USER ACCOUNT

OVERVIEW

The AWCR provides a national framework for qualifying and testing welders to standards such as AS/NZS ISO 9606-1 and AS/NZS 2980, and other welding standards where specified.

It:

- ✓ Allows qualified welders to be registered so as to be able to work on any site without further testing resulting in a significant cost saving to industry.
- ✓ Provides industry with easy access to a database of welders with up to date certification and details of their career history.
- ✓ Generates data for a skills gap analysis which will allow the development of a detailed suite of training initiatives to upskill the workforce.
- ✓ Runs on the **WeldQ** platform; a fully internet enabled cloud based system with a supporting mobile app.

GETTING STARTED

The AWCR is free to access and set up an account. There are some prerequisites:

- ✓ Please install either Google's *Chrome* or Mozilla's *Firefox* browser
 - Important – please enable Pop-ups for **WeldQ** to access all features
 - Other browsers may not work correctly
- ✓ Access the AWCR website via <http://awcr.org.au>
- ✓ Click on the link within the AWCR website to go to the Entry screen or save the link <https://wtia.weldq.com>
